

# Need and Purpose

*The California Department of Transportation (Caltrans) proposes to improve the intersection of Routes 20 and 29 near Upper Lake. In addition to a No-Build Alternative, two alternatives are being considered to reduce collisions at this location.*

## **Project Purpose**

*The purpose of this project is to improve the safety of the intersection of Routes 20 and 29 by reducing the frequency and severity of collisions at this location.*

## **Project Need**

*The intersection of Routes 20 and 29 have been identified as needing safety improvements as a result of the number of collisions, particularly broadside collisions, that have occurred at this location.*

*The collision rate at this intersection is 4.2 times greater than the statewide average.*
